

DELSTARFORD WORKS

Premium Model Development & Analytical Solutions

1. Service Pricing Schedule

At Delstarford Works, we believe in transparent pricing tailored to the complexity and sensitivity of the industry sector. Our pricing covers data analysis, model architecture design, testing, and final deployment.

Sector-Based Pricing Breakdown

We operate on a milestone-based payment structure to ensure client satisfaction at every stage of development.

Payment Structure:

- **Initial Deposit (30%):** Paid upon signing to commence work/mobilization.
- **Mid-Project Milestone (20%):** Paid upon submission of the first draft or prototype.
- **Final Payment (50%):** Paid upon final handover and approval.

Detailed Price List (All figures in KSH)

Industry Sector	Total Project Cost	Phase 1: Start (30%)	Phase 2: Middle (20%)	Phase 3: Completion (50%)
Health Solutions	30,000 KSH	9,000 KSH	6,000 KSH	15,000 KSH
Security Systems	28,000 KSH	8,400 KSH	5,600 KSH	14,000 KSH
Agriculture	25,000 KSH	7,500 KSH	5,000 KSH	12,500 KSH
Education	20,000 KSH	6,000 KSH	4,000 KSH	10,000 KSH
Social Sciences	15,000 KSH	4,500 KSH	3,000 KSH	7,500 KSH
Finance Models	10,000 KSH	3,000 KSH	2,000 KSH	5,000 KSH

Client Budget Proposal (For Custom/Negotiated Projects)

We understand that every project has unique constraints and we work with client budgets where feasible. If the standard packages above do not fit your requirements, please state your proposed budget below.

Note: This proposal is submitted to Delstarford Works for review. It is not binding until formally approved by our technical team to ensure the budget covers the necessary resources.

Proposed Total Budget: KSH _____

Proposed Payment Schedule:

- **Start (30%):** KSH _____
- **Middle (20%):** KSH _____
- **Completion (50%):** KSH _____

Client Comments/Justification:

By completing this section, the Client submits this budget for review. Delstarford Works reserves the right to accept, reject, or negotiate this proposal based on the scope of work.

2. Deliverables & Value Proposition

To ensure our clients understand the value they are receiving, the pricing above includes the following standard deliverables:

1. **Requirement Analysis:** A dedicated session to understand the specific problem statement.
2. **Model Development:** Custom creation of the solution (algorithm, database design, or analytical model).
3. **Testing & Validation:** Rigorous testing to ensure accuracy (especially critical for Health and Security sectors).
4. **Documentation:** A user guide or technical documentation explaining how the model works.
5. **Revisions:** Up to two (2) rounds of minor revisions after the Mid-Project presentation.

3. Client Service Agreement

Date: _____

Project Reference: _____

BETWEEN: Delstarford Works (The "Provider")

AND _____ (The "Client")

Terms and Conditions

1. Scope of Work Delstarford Works agrees to provide model development services in the field of

\$\$Select: Health / Ag / Finance / Edu / Social / Security / Custom\$\$
as discussed in the project brief.

2. Payment Terms The Client agrees to the payment schedule outlined in Section 1 or the approved "Client Budget Proposal" section. Work will not commence until the Phase 1 deposit is received. The final deliverable (source code, full report, or access keys) will be released only upon receipt of the Phase 3 final payment.

3. Timeline The estimated timeline for this project is 12 weeks. Delstarford Works will communicate any delays due to technical complexities immediately.

4. Client Obligations The Client agrees to provide necessary data, feedback, and approvals in a timely manner. Delays in client feedback may affect the final delivery date.

5. Confidentiality Delstarford Works acknowledges that the Client's data may be sensitive. We agree not to disclose, share, or sell any proprietary client data to third parties.

6. Intellectual Property Upon full payment, the Client owns the rights to the specific model solution created. Delstarford Works retains the right to reuse generic code libraries or methodologies for other projects (excluding client-specific data).

7. Termination If the project is cancelled by the Client after Phase 1 but before Phase 2, the 30% deposit is non-refundable to cover time spent.

Acceptance & Submission

By signing below, the Client submits this document for agreement (Standard Pricing) or review (Client Budget Proposal).
